

Free WiFi Terms and Conditions

Privacy Notice

Scope:

This privacy notice applies to customers who activate a wifi connection embedded in Toyota vehicle. Unless context dictates otherwise, the Vodacom Privacy Statement shall also apply to interactions with you regarding any collection, use or other processing of personal information.

Personal Information Collected:

- Vodacom only collects and processes personal information required to provide you with WiFi connection in your Toyota vehicles
- Your information will also be processed so that we can provide you with the free 15 Gigs worth of data when you activate the WiFi connection
- Information that will be collected by Vodacom includes your Name and Surname, Identity number, Contact Number, email address, physical address and tariff information(package)
- Vodacom does not obtain any additional personal information from other sources

Uses and Sharing:

- Vodacom processes the information to provide you a wifi connection and may use the information to provide you with information on related products or offer discounts on certain offerings
- Vodacom will use your personal information you provide only for purposes consistent with the reason you provided it.
- Vodacom will share your information with our contracted service providers

Your Rights

www.witaxi.co.za

- You may access your personal information that Vodacom holds about you. You may also ask us to correct any errors or delete the personal information Vodacom has about you under certain circumstances
- You may opt-out of any marketing messages or further contact from us
- To protect your privacy, Vodacom may have to verify your identity before Vodacom can give you access to or change personal information about you.

How to contact us:

If you have any questions about this Privacy Statement or any part of it thereof, you may contact us by emailing WiTaxi on info@witaxi.co.za or send us a Whatsapp on 076 579 7229

Acceptance of the Privacy Notice:

I have read and understood the Privacy Notice relating to Internet in the Car and clearly understand its contents.

By ticking the box below, I agree to the above statement

PRIVACY NOTICE

Toyota South Africa Motors (Pty) Ltd respects your right of privacy and your right to control your personal data. We are committed to processing personal data fairly and lawfully.

We take appropriate measures to safeguard personal data against access or amendment by unauthorized persons, and to prevent its unlawful loss, damage or destruction.

We encourage you to read our Data Protection Policy available on <https://www.toyota.co.za/privacy-notice>

The Data Protection Policy is supported by procedures and standards that are based on best practice. These are reviewed regularly and, where necessary, are improved to combat ever- changing cyber risks.

You may contact our information officer at informationofficer.popia@toyota.co.za with queries that you may have relating to your personal data and we will respond to you promptly.
